"The absolute BEST. More than five stars. Honest. Dependable. On time. I so highly recommend GMS Heating and Cooling of Morton Grove, Illinois. Fantastic company." - Bonnie Z., Yelp

"I'm so glad that businesses like GMS still exist. Don't bother calling those mega HVAC repair places that you see advertised everywhere. Dealt with Ed, and then had Glenn and Greg for my repair work. They were fast, clean, knowledgeable, and very professional. The price was excellent and they didn't add any unnecessary "extras" like the other places do. If I ever have any HVAC issues in the future, GMS is the only call I will make. Thank you guys!"
- Kristopher G., Google

"Easily the best people I have ever worked with in the arena of HVAC. Ed couldn't be more accommodating or nice. Every worker in my house was beyond professional and respectful." - Joe B., Facebook
